CLAUSES

1. The purpose of this inspection is to perform limited, visual and auditory on site observations of the readily accessible areas of the primary structure, mechanical, and electrical systems of the building and to give a personal opinion as to whether or not the components of the room are performing the function they were intended or are in need of immediate repair. This report is not all encompassing nor is it meant to be. It is very specific in the areas which are reported by the home inspector.
2. This inspection is made and managed digitally. All pictures are digital, are part of it and can be used as evidence.
